Projects

Weather App

GitHub

Tools: Python, CustomTkinter, Weather API

- Developed a desktop weather application using Python and CustomTkinter with a user-friendly graphical interface.
- Integrated weather API data to provide city-based weather information and organized the application into multiple functional sections.

E-Commerce Data Analysis

GitHub

Tools: Python, NumPy, Pandas, Matplotlib, Seaborn

- Cleaned and analyzed e-commerce sales data by handling missing values, duplicate records, inconsistent categories, and date formats.
- Performed exploratory data analysis and created visualizations to identify sales, customer, payment, shipping, and regional patterns.

Netflix Data Analysis & Visualization

Data Science Project

Tools: Python, Pandas, Matplotlib, Seaborn

- Performed data understanding, cleaning, and exploratory data analysis on the Netflix titles dataset using Python and Pandas.
- Created visualizations using Matplotlib and Seaborn to explore content types, ratings, release years, countries, and other dataset patterns.

Technical Skills

- **Languages:** Python, Java, JavaScript
- **Data Science:** NumPy, Pandas, Matplotlib, Seaborn, Exploratory Data Analysis
- **Web Technologies:** HTML, CSS, JavaScript
- **AI / ML:** TensorFlow, Machine Learning Basics
- **Frameworks & APIs:** Flask, REST APIs
- **Tools:** Git, GitHub, VS Code, Jupyter Notebook, Anaconda
- **Core Skills:** Data Structures and Algorithms, Problem Solving

Certifications

- Data Structures and Algorithms (DSA)
- Data Science and AI Certificate
- Wadhvani Foundation Entrepreneurship Course
- Lernovate Soft-Skill Campus Program

Achievements

- Earned the Kaggle Agentic AI Badge through hands-on learning in AI and agentic systems.
- Participated in dance and cultural activities and received certificates for extracurricular participation.
- Practicing Data Structures and Algorithms and solving problems across coding platforms.

Education

Babu Banarasi Das Northern India Institute of Technology, Lucknow

2023 – 2027

B.Tech in Computer Science and Engineering

CGPA: 8.07/10

Raj Kumar Inter College, Lucknow

2022

Intermediate (Science)

Percentage: 82.20%
